

# MATT BAGLEY

## FOUNDER & MASTER PRINTMAKER, IRON FROG PRESS

**Matt Bagley** is the founder and master printmaker of Iron Frog Press, a Dallas-based studio renowned for relief printmaking, innovative instruction, and community engagement.

With over 30 years of professional experience, Matt guides artists of all levels in hands-on workshops that emphasize technique, craftsmanship, and creative confidence.

He brings printmaking into schools, libraries, museums, and public events through

**PrintShop a Go-Go**, and is the inventor of the **Original Glass Baren™**, a hand-printing tool that makes printmaking accessible to all.

Matt's work highlights printmaking as a tool for creative expression, storytelling, and community connection.

### FOCUS AREAS

- Relief printmaking: linocut & woodcut
- Hands-on learning
- Community-based workshops & projects
- Accessible instruction for all skill levels
- Inventor of the **Original Glass Baren™**
